

The Maritime Republic of Eastport

WE LIKE IT THIS WAY

21403

Dear Neighbor,

On November 7, from 11am until 5pm, the Maritime Republic of Eastport will hold the 12th Annual Tug of War and Tugfest on Second Street between Severn Avenue and Back Creek. This all-inclusive family fun-fest, which benefits local organizations including Eastport Elementary School's Reading is Fundamental Program, OIC Job readiness Center, the SPCA and the Civil Air Patrol, will feature a Tug of War across Spa Creek to City Dock, live music from local bands including the Elementary and Middle School bands, great food and beverages. There will be a children's area with a moon bounce, face painters, art and crafts stations and more. As with all things MRE, the goal of the Tug of War and Tugfest is to celebrate the unique community that is Eastport – its people, its business and its maritime heritage.

The majority of the attendees will be local, making this a perfect chance to come out and meet some new neighbors. There will be certain areas of Second Street that will be posted "No parking" beginning Friday the 6th, so that we can begin site preparation and clean up.

The event begins at 11am on Saturday, although we will be on site setting up the tents and stages beginning at around 7am. We will make every attempt to have the site broken down and cleaned up as soon as possible after 5:00pm.

If you have any questions or concerns, I would be more than happy to address them. This has been such a successful event over the past 11 years because of the great community support and we hope to continue this relationship. Please do not hesitate to contact me at any point prior to or during the festival with any questions or concerns.

I hope to see you on the 7th!

Sincerely,

Jan Cort
